

CERTIFICATE OF CONFORMITY

In accordance with Directive 94/9/EC dated 23rd March 1994

We certify that the Autoflex Range of Couplings complies with the Health and Safety Requirements according to Annex II of the Directive (ATEX) referring to the design and construction of equipment intended for use in potentially explosive atmospheres.

AUTOFLEX METAL MEMBRANE COUPLING

I M2 , II 2 G D

Ta = -50 Degs. C to 50 Degs. C (T6)

Ta = -50 Degs. C to 60 Degs. C (T5)

Ta = -50 Degs. C to 100 Degs. C (T4)

In accordance with article 8(1) of Directive 94/9/EC, the technical documentation has been deposited with Notified Body No. 0518, Sira Certification Service, Chester, UK.

We likewise declare that the machined parts cited herein cannot operate independently, unless they are joined to a machine or form part of the assembly. These machined parts must not be put into service until the machine they have been joined to has been declared in conformity with the Directive.
