

CERTIFICATE OF CONFORMITY

Corresponding to Directive 94/9/EC dated 23rd March 1994

Acting on behalf of the manufacturer CITSA, we certify that the Samiflex elastic coupling described complies with the Health and Safety Requirements according to enclosure II of the Directive (ATEX) referring to the design and construction of equipment intended for use in potentially explosive atmospheres.

SAMIFLEX ELASTIC COUPLING

In accordance with article 8(1) of Directive 94/9/EC, the technical documentation has been deposited with Notified Body No. 0163, J.M. Madariaga Institute (Madrid)

We likewise declare that the machined parts cited herein cannot operate independently, unless they are joined to a machine or form part of the assembly. These machined parts must not be put into service until the machine they have been joined to has been declared in conformity with the Directive.

A handwritten signature in black ink, appearing to read "M.R. Hutchings".
